

VINE - KIDNAPPING

INT. CAR - DAY

Tommy and a friend get into the car and slam the door.

TOMMY

Are you sure she's been kidnapped?

FRIEND

Yeah, they made it obvious.

Friend holds up a ransom note that says "Totally kidnapped her, Tommy."

TOMMY

(confused)

Ok, but it's strange that they put MY name on it. How would they know I'm even a part of this?

FRIEND

They know a true friend.

TOMMY

So? Where are we going?

FRIEND

Downtown!

TOMMY

At this time of day? The traffic is going to be insane and I'm not taking the toll road. Those things are a rip off.

FRIEND

Dude! You won't take a toll for my girl?

TOMMY

Didn't even take a toll for my grandmother's funeral.

FRIEND

RIP Nanna.

They both cross themselves and look to the sky.

TOMMY

Fine. I'll go Vin Diesel style.

FRIEND

We are going to hate The Rock?

TOMMY  
No, idiot! Fast and Furious style!

The car takes off.

CUT TO:

EXT. ROAD AND TOY CARS - CONTINUOUS

A hand holding a toy car drives while making the car sounds.

FRIEND  
Watch that truck!

Hand dramatically swerves around the truck.

FRIEND (CONT'D)  
Oh no! It's an airplane! It must be  
the kidnappers. Dodge it!

TOMMY  
What?

Another hand comes into the shot with a lego airplane and the  
other hand dodges it.

FRIEND  
That was close.

TOMMY  
This is stupid.

FRIEND  
Oh no! It's a dinosaur!

TOMMY  
No.

Another hand comes in with a dinosaur. It growls. The car  
stops with a skretch.

CUT TO:

INT. CAR - CONTINUOUS

Tommy looks at his friend.

FRIEND  
What are you doing?

TOMMY  
I just remembered. You don't have a  
girlfriend.

FRIEND  
But..

TOMMY  
Why would you make me do this dumb  
stuff?

FRIEND  
Spend time together?

TOMMY  
Get out.

FRIEND  
Fine! Be that way.

Friend gets out of the car and we hear the dinosaur roar and  
the friend scream.

TOMMY  
Oh shit...yeah. The dinosaur.  
Better get going.

Tommy drives of.

THE END.
